TO AILING WOMEN

A Little Sound Advice Will Help Many a Sufferer in Rock Island.

No woman should consider herself healthy and well if the kidneys are weak. Poisons that pass off in the secretions when the kidneys are well, are retained in the body when the kidneys are disordered. If the kidneys and bladder become inflamed and swollen, worse trouble may quickly follow. This is often the cause of bearing-down pains, lameness, backache, etc. Uric poisoning is also frequent cause of headaches, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Doan's Kidney Pills, a remedy that has proven effective in thousands of such cases. Let a Rock Island woman tell of her experience:

Mrs. Westerdal, 230 Thirteenth street, Rock Island, Ill., says: "I have used Doan's Kidney Pills with such excellent results that I am glad to tell others about them. I had severe pains in my back which kept me in misery. After stooping, I had trouble in straightening and my kidneys were weak and inactive. All these troubles disappeared after I took Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn company, Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.—(Adv.)

ROYAL NEIGHBORS BEGIN TO INVADE FOR BIG MEETING

Delegates for Third Triennial Supreme Camp Arrive From Distant States.

START 1917 MEET FIGHT

Representatives of Cities Commence Contest for Next National Session in Three Years.

The first delegation of women commenced to arrive this morning for the third triennial supreme camp of the Royal Neighbors of America, and large groups of members continued to throng into the city throughout the day.

By Monday morning all of the delegates will be here and from thence on until the middle of the week, visitors will continue to arrive, so that the number of people from out of town attracted to Rock Island for the supreme camp will reach into several thousands.

From the far west the south and east visitors came this morning. Montana, Oregon, Utah, Texas and Georgia are represented.

This evening, the Minnesota and Dakota representatives will arrive over the Burlington, and will number about 250. Early Sunday morning the California delegation, and others from the far west are expected to get here.

More Visitors Coming.

The visitors will outnumber the delegates greatly. Many of the former will be attracted here to witness the class adoption on Tuesday evening. So impressive and beautiful is the exemplification of the work and so much interest is taken in it by the Royal Neighbors, that it is expected that at least two hundred women from Chicago will come to Rock Island, principally to witness the adoption of the 150 candidates.

Being centrally located, large numbers of visitors from other sections of the country will also come for this purpose.

The headquarters for the delegates and visitors are at the New Harper house, and this morning out of town women were received by the local committee and the badges for the delegates were passed out, while the other visitors were given emblems which varied somewhat from those of the representatives.

Bid for 1917 Meet.

Even though early in the contest, the cities bidding for the 1917 convention are getting in their work and all of the delegates who have arrived thus far have been surrounded by ladies representing the different places seeking the meeting.

Among the municipalities bidding for the supreme camp three years hence is Minneapolis, Minn.; Jacksonville, Fla., and Albany, N. Y.

Minneapolis women have rather stolen the march on the representatives of the other two cities, and have secured badges bearing "Minneapolis, 1917" in lavender and white.

Work on the decoration of the Royal Neighbors Headquarters commenced today. The housecleaning of the past two weeks has been completed, and the interior of the head office has been repapered and repainted so that it will present a neat appearance to the visitors. The exterior is being decorated with purple and white bunting.

TO SOLICIT FUNDS FOR MEMORIAL DAY

Soliciting of funds to defray the necessary expenses of Memorial day will be started by committees from the G. A. R. and kindred societies next Tuesday. The expenses will amount to about \$250, the usual sum. Among the members of John Buford post on the committee which will solicit funds are P. F. Cox, Thomas Campbell, G. E. Bailey and William McConochie. No trouble is anticipated in raising the necessary amount, those approached usually being in entire sympathy with the spirit of the day and anxious to contribute to the end that the great lesson in patriotism may be impressed upon the younger generation and fitting honor paid the nation's heroes.

FAILS TO PROVE HIS STORY

Gordon Eubanks is Freed of Charge of Assault.

Gordon Eubanks, who was charged with having assaulted Tony Andulus in the engine room of the New Harper a week ago, this morning was released today after Police Magistrate C. J. Smith heard the testimony.

Andulus claimed, through an interpreter, that he could not talk English, and he also stated that Eubanks struck him in the ribs with an iron bar, breaking several bones.

Eubanks, however, introduced three witnesses to prove his side of the case. According to the story it seems that Eubanks is boss in the engine room, and that he ordered the Greek to assist in hauling away the ice. When the latter refused the alleged assault took place.

The furore for color has turned to Coats and Suits and Frocks—so the hat, just for contrast and variety, must be white; and, indeed, the most striking costumes seen on the boulevards are bright colored suits with the White Hat—White Leghorns, White Panamas, White Crepes, White Hemp; trimmings are varied and exquisite—all the flowers that are blooming now—Pansies, Violets, Lilacs, and the lovely shades of American Beauty Roses—the soft cream of the leghorn makes an ideal background for the rich tones of the flowers.

RECRUIT 17 MEN FOR THE ARMY SO FAR THIS MONTH

The army recruiting offices in the Davenport district have done fairly well so far this month, securing approximately 17 men. Three of them have already been sent to the Jefferson barracks at St. Louis for preliminary training, and the other 14 men are at the Davenport office awaiting the return of Captain Bower from Washington, D. C., for final examination. Captain Bower has been in the capital city 10 days on a business trip and is expected back today. Two men have been recruited at the local office.

Temporary recruiting offices were opened at Maquoketa, Iowa, and Keokuk, Ill., during the last week.

MANY PLAN TO HEAR FAMOUS BAND SUNDAY

Many music lovers of the tri-cities are planning upon journeying to Watch Tower park tomorrow afternoon and evening, where they will hear the famous Quintano and his Roma Marine band. More than usual interest is being manifested in the appearance of this remarkable group of Italian musicians.

Sam Musk and Steve Poppas had a mix-up in their car in the Burlington yards last evening, and Poppas this morning appeared in police court with his head bandaged. On investigation, however, it was learned that the bandkerchief tied about the head was all for effect on the court. Both were released after paying costs of \$150. Officer Collins made the arrest.

Charles Bates, colored, who yesterday morning was arrested by Patrolman Ginnane for panhandling was released this morning.

"Red" Haney, who blew into Moline some time ago from the Indian territory, became intoxicated in Rock Island yesterday afternoon. He is a sign painter by trade and after several rounds in thirteenth parlors, he lay down on a lawn. Several women were fanning him when the police arrived, believing that he was ill. He was dismissed.
